12 May 1983

MEMORANDUM FOR: Deputy Director for Administration

STAT   FROM:

Director of Data Processing

SUBJECT: ODP Report for Week Ending 13 May 1983

1. **Logistics Information Management System (LIMS) Contract Awarded**

Booz, Allen, and Hamilton (BAH) was awarded the contract for the development of LIMS. During the period when the contract was being finalized, the Government and BAH signed a letter contract authorizing the contractor to begin work on the project.

2. **Support to the United States Air Force (USAF)**

STAT

3. **COMIREX Automated Management System (CAMS)**

A Technical Exchange Meeting (TEM) among Britton Lee, Incorporated (BLI), the CAMS2 Processing Segment (P/S) contractor, and the Government took place on 12 May in Los Gatos, California. The agenda included a demonstration of a BLI Intelligent Database Machine (IDM)/IBM block-multiplexer board and an IBM personal computer which will be used as a software loader for the IDM-500. Also discussed was the status of the BLI commitment to provide 160kb/sec. dump speed to a host computer and a maintenance agreement for the BLI provided software.

4. **Significant Events During Coming Week**

STAT   None.
